Dear Parents and Carers,

We are pleased at how well the children have settled into this new academic year, especially the new Reception children.

News and Events

Nourish -Taster Sessions

We were pleased to welcome KS1 parents on Wednesday of this week to sample healthy and tasty food offered by Nourish, our Catering Company. Feedback from the parents was very positive. The menus are specially developed to not only appeal to children but to be nutritionally balanced. Last year I carried out a survey on school lunches and one Y4 girl said " *I used to be really fussy; but now because I have school dinners I like more foods*" A further taster session for KS2 children is taking place on Wednesday 26th September at 12:00pm. Invitation letters have gone out, please return the reply slip if you have not done so already by **Monday am** at the latest please. The area manager will also be there to answer any questions.

Sandwiches will no longer be an option for lunch. Please encourage your child to choose a hot main meal from the menu.

Jeans for Genes!

Today children and staff supported the Jeans for Gene's charity by wearing their jeans to school and donating a £1. For more information about the charity please visit www.jeansforgenes.org

Year 3 Trip to St Marks 21.9.18

Year 3 children visited St Marks Church in Bromley to join with other schools to enjoy a celebration of moving on to their next step in life from KS1 to KS2.
