Dear Parents and Carers,

Firstly we must apologise that we didn't send out a newsletter last week. We were all being so sporty and healthy that time just ran away with us literally! The children had some amazing experiences including learning how to save lives, yoga, football skills with John Farnworth, making smoothies and Dr Me - which focusses on Diet, Resilience, Mind and Exercise.

This week our children were fantastic ambassadors of our school in the Aquinas debating competition where we came a very respectable 2nd place. Well done Charlie, Amelia and Harriett, you should be very proud of yourselves. This week we also had our year 6 learning outcomes moderated by the Local Authority and I am pleased to say that they agreed with all of our levels and thought our year 6 writers were very mature. A special mention needs to go to Leo whose writing was incredibly mature with a wonderful choice of vocabulary. I also want to thank the year 6 teachers for their input as this was a challenging day but they represented the pupils really well.

We are still endeavouring to get the pool up and running, Mr Gregory and Mrs Peck are 'on the case' as we still have an issue with the chemical dosing system but they have assured us that it will be fixed and we will get many swimming sessions in our pool before we finish for the summer break.

Today we have booked our meet the teacher session for the pupils in school; the children will be meeting their new teachers on the afternoon of Tuesday 2nd July and whilst I know all the teachers are looking forward to this, I do know Mr Finch is really excited about coming over to meet you all.

Have a great weekend and we will look forward to seeing you all next week in school at some point.

Best wishes,

Mrs Evison and Mrs Shackleton
