

CUDHAM C.E. PRIMARY SCHOOL

NEWSLETTER -7th June 2019

www.cudham.bromley.sch.uk 01959 572673 admin@cudham.bromley.sch.uk

Dear Parents/Carers,

Today has been the most exciting day with all of our Darwin activities. We were very fortunate that the Mayor of Bromley, Cllr Nicholas Bennett, along with Randal Keynes and Judith Johns visited us to see the amazing work we are doing here. The children carried on regardless of the drizzly weather, and Mr Atherton from Bishop Justus inspired us all to be superb investigative scientists.

Our pupils achieved well this week in a Kent Cricket Competition. Mrs Minto cheered them along and was very proud of their skills displayed but more importantly their sportsmanship. Well done children you have made us all so very proud.

I did tell you a few weeks ago that I would keep you updated on my FOCs tomato plants.....well I can confirm that they are doing well and I am hoping to have some baby tomatoes very soon! This leads me onto thanking the FOCs for their ongoing contributions to school life here at Cudham. They spend many hours quietly beavering away to make our wonderful school a better place and to provide us with the little luxuries that make learning experiences even more exciting. Please don't forget to book your table for their forthcoming quiz night. Next week they are providing the children with healthy snacks for sports day, they are currently preparing their lolly sale rota and also a rota for Cudham Fete. If you do have any time to offer to support the school or FOCs in anyway do please either speak to one of our office staff or your child's class teacher.

Have a wonderful weekend,

Best wishes,

Mrs Evison and Mrs Shackleton

News and Events

Darwin Day

As mentioned by Mrs Shakleton, today was Darwin Day at Cudham and representatives from Primary Schools within the Aquinas Trust came to discuss how the local environment has change since Darwin's research in the 1850s. Pupils enjoyed pond dipping, mud sampling and studying plant life.

Health Week

Next week we see our third annual Health Week. Children can come to school in PE kit every day (no football kits please) as many of the activities will be practical. The week includes first aid training for all years, yoga, football skills and a healthy eating workshop.

Please remember to send back your consent forms for this week as without these, your children may not be able to take part in the various activities.

As part of Health Week, Cudham were offered 12 free spaces for children to experience golf at Cherry Lodge golf club. Places have now all be allocated and parents/carers have been notified. If you applied for a place but have not received an email from school, please assume you have been unsuccessful on this occasion.

Please note that during Health Week only, the morning fitness clubs that are usually run by Mr Dan Bentley will be running but led by Mrs Claire Willsher.

Golden Book

The following children have been entered into the 'Golden Book' and acknowledged in assembly for their achievements and commitment to school values:

Kingfisher: Isla C, Elise,

Robin: Agnes-Fleur,

Hawk: Joe, Gabes, Gio, Allegra

Merlin: Charlee, Amelia, Maisy

Young Leader: Millie, Sophia, Albie, Freddie
