CUDHAM

CE Primary School

Dear Parents and Carers,

Welcome back to probably what is the busiest term of the academic year, we hope you had a restful break with those close to you.

This week in collective worship we introduced our new Behaviour Management Policy; thank you to the pupils, staff and parents who contributed to this policy. We now have traffic lights in each class and the pupils are all aiming to be one of Cudham's First Golden Cool Kids (this was the children's choice of name). There are a series of rewards that the children are aiming for including stickers, notes home and special treats of their own choice.

This Sunday at Cudham Church is the Remembrance Service, it would be great to see families gathered with us in the Churchyard to remember the fallen of our Community. For the eagle eyed amongst us, you may have noticed a plaque in the entrance to the school that celebrates the lives of Mr and Mrs Rogers and also Lieutenant Lyddon who were all previously associated with our school and killed during the Second World War. We will be meeting in the Churchyard at 10.50am for the act of Remembrance and then afterwards in the Church for the normal service with Children's Church.

A massive thank you to all of our staff, pupils and families that filled shoeboxes for our Link to Hope Shoebox appeal; what a fantastic Christian giving example we are setting to the young people in our midst.

In the next week of so there will an announcement for the next CUDham dads meeting, please watch this space!

God bless,

***Mrs Shackleton and Mr Finch***

***Please make sure you see the school dates sent out for your diary, we have so much happening this coming term too good to be missed.***

## **Saving the Planet**

To cut down on paper wastage, on the occasions that we have to send out paper letters we will be only sending these to the oldest children in the family so if you only get one copy please don't worry.

## **Reverse Advent Calendar**

Miss Read has sent out a letter requesting donations for a Reverse Advent Calendar, please do send in your donations to your class teacher.

## **Parental Survey**

Accompanying this newsletter is a family survey, please do complete honestly as this will help us in our School Development and Improvements for the future. Please complete your surveys and return to school by **Friday 15<sup>th</sup> November**.

Gold level accreditation 2019

## **Junior Travel Ambassadors**

Congratulations to Mrs Borg and our wonderful JTA's who have achieved Gold level for our school. Thank you for all you do in making us safe to travel to and from school.
