**Topic:** Research and look at artwork by Van Gogh. What techniques did he use? What was he known for painting? Van Gogh created landscape and still life artworks. Once you get home, arrange them and draw/paint a still life picture **OR** Go for a walk, take your pencils and paper with you. Find a landscape you would like to draw. Sit down and draw your landscape right there. You could take a picture to complete your artwork and add more detail once you get home.
