CE Primary School

Together, we Aim, Believe and Achieve.

Home Learning Project - Week 8 - Moving on to next year

Years 5 and 6

Monday 20th July

Tuesday 21st July

Wednesday 22nd July

This is the last few days that Year 6 will be with us at Cudham CE Primary! It is also the last few days for our Year 5s before they become Year 6!

This week, we will be using a few transition packs to help our pupils move into the next chapters of their education. They are mainly aimed at Year 6 pupils moving to Secondary School - however, the Year 5s can still complete them but pretend that the questions and activities are about becoming Year 6s, rather than going to Secondary school.

These packs will also be very useful for you all during the summer holidays. They may be worth revisiting in later August before you start these new chapters. Perhaps you would like to complete the pack again and see how your feelings have changed over the summer holidays?!

CHALLENGE ACTIVITIES:

Writing: Write a real-life diary entry about how you are feeling in these final days of the school year. Remember to include your emotions, describe your surroundings and write down your thoughts. This will be a meaningful piece of writing for you and may be something you would like to look back over in the future.

Maths: Attempt to calculate the cost of your time at Primary School so far. Consider the following things that your parents will have bought for you and use the internet to find prices for you to calculate

with: School shoes, school uniform (brigade.uk.com), pencil cases and stationery, packed lunches and school dinners for 5 days a week, school trips and FOCS Events!

Topic: Create an advert/poster/YouTube video or any other form of advertising to convince the people of Biggin Hill to send their children to Cudham CE Primary. What is good about our school? Why is it better than other schools? What experiences do children get here? What is great about each year group? What is special about our grounds and facilities?

Happy Summer Holidays!
