'Together, we Aim, Believe and Achieve'

## **Dear Parents and Carers,**

In a week of changing regulations, it is good to know that at school we can continue to be a source of consistency for you and our children. At the start of last week, we introduced into our classrooms a 'feelings chart' for the children. This allows the children to express how they are feeling when they come into school and will give the adults in the classroom the opportunity to talk to the children about their emotions. The response from the children has been honest and useful and the staff feel that this is helping to address their worries and focus on their learning.

## **Virtual Community Evening**

Next Friday, we would like to invite you all to a virtual community evening. Last year, we launched our half-termly community events and we felt that they were a great success in bringing our community together. It is a shame that we cannot meet in person but we did not want to miss the opportunity to meet together.

Friday's event will be hosted on 'Zoom' and will involve a short quiz and a treasure hunt in your own homes! For the finale of the evening, Mrs McKatherine has set you all a challenge to create an artistic creation of Mr Finch to show on Zoom! This can be made using anything you can find, in any form you like. It could be a painting, a junk model, a cake or anything else you can think of! Zoom details will be sent via the FOCS WhatsApp groups to ensure they are not posted online, where our community meeting could be hi-jacked.

Date: Friday 2<sup>nd</sup> October 2020

Time: 6:30pm

Invited: Anyone associated with our Cudham CE family

## **Tomato School**

Last week, you may remember I told you about our Social Action of addressing the global issue of famine and water. As part of our action, we have been asked by the Bromley Foodbank to be a 'tomato school' donating items to support those with a lack of food in Bromley. Possible items include:

- Tomato Ketchup
- Tomato Puree
- Tinned tomato soups
- Jars of tomato cooking sauces

Please ensure that the items you bring in are new and in a tin, jar or tube as they are well dated.

## **Virtual Tour**

This week, we hosted our first Zoom Open Morning of the academic year, with the aim to attract new families to start in our Reception cohort in September 2021. To go with our Zoom, a virtual tour has been produced and is now live on YouTube. It would be greatly appreciated if you could share the video on your social media platforms to help promote our wonderful school.

## **Oak Academy Resources**

If your child or household is isolating at home, please do make use of the Oak Academy website to help with home learning.

### Maths
