'Together, we Aim, Believe and Achieve'

Dear Parents and Carers,

Can you believe it is October already?! The half term is flying by and there is some amazing learning taking place in school. This week, we conducted our Pupil Progress Meetings to monitor how the children have settled back into a formal learning routine. The staff have been fantastic: identifying what the needs are for the pupils to reduce the impact of lockdown and have planned interventions and lessons to ensure the children catch up.

With the autumn weather starting to creep in, you may want to consider sending your children into school with more layers and a coat. To keep our children, staff and families safe, doors and windows will be open to ensure fresh air is moving through the classroom. This will naturally bring the temperature in the classroom down so having extra layers will keep your child warm and able to focus on their learning.

I am really looking forward to seeing you all virtually tonight for our first Community Evening of the school year. The zoom details have been sent out through the FOCS WhatsApp Reps and in an email to all parents and carers.

Tomato School

As you will know, we have been asked by the Bromley Foodbank to be a 'tomato school' donating items to support those with a lack of food in Bromley. Possible items include:

- Tomato Ketchup
- Tomato Puree
- Tinned tomato soups
- Jars of tomato cooking sauces

Please ensure that the items you bring in are new and in a tin, jar or tube as they are well dated.

We will be delivering the food items to the foodbank on Friday 16th October, the last day before half term. Thank you for your donations and the support you are giving to our local community.

Oak Academy Resources

If your child or household is isolating at home, please do make use of the Oak Academy website to help with home learning.

Maths

Reception:

[Pattern and Early Number - Oak National Academy](#)
