'Together, we Aim, Believe and Achieve'

Dear Parents and Carers,

Happy Friday Cudham Family!

It was really lovely to have Rev Rachel leading Worship on the playground for us this week. Our Virtue this half term is Trust and Rev Rachel conducted an experiment to see how much trust I have in her! She held a plastic bag of water over my head and pierced a pencil the entire way through! It was fortunate that I do trust her as I was able to go back to class dry and teach Honeysuckle class!

This week we introduced the daily Independent Learner Award and the children have been so impressive in the way that they are developing their learning behaviour. Children are having a go and trying to improve. They are being resilient and not giving up if things become difficult. It has been a really impressive week and I hope that the determination to win the award brings long term rewards too – life-long learning skills. I hope you all enjoy the bank holiday weekend spending time together. Hopefully the weather will be kind.

Community Event – Next Friday

This half term's community event will take place on Zoom on Friday 7th May 2021. Thank you in advance to Ms McKatherine for organising and we look forward to meeting again as a Cudham family.

Cudham 2021/2022

Next Wednesday (5th May 2021) at 6pm, you are all invited to join me on Zoom, where I will be announcing the exciting plans for Cudham in the next academic year. You will have received an email with the zoom details yesterday. It will be great to see you there and to share the plans and to hear your views too. Thank you in advance for your time.

Parking

A reminder that the disabled parking bay is reserved for those families in our community with a blue badge. Even if the space is free, and you are quickly popping in to school to collect, please do not use this space unless you are a blue badge holder. Thank you.

Homework

As the children are now settled back into school life, we will be setting homework again. The children will be asked to read every day, either on Bug Club or using texts at home. In addition to this, there will be a Purple

Mash task to complete once a week to support classroom-based learning. If you have any questions, please do not hesitate to ask your child's class teacher.

Breakfast Club

Our successful Breakfast Club runs from 7:30am-8:30am, Monday-Friday. Led by Mrs Wickens, children enjoy breakfast together and take part in activities such as board games, puzzles and Lego. If you would like your child to attend, please contact the office.

Local Elections – Thursday 6th May 2021

Our school is not being used as a polling station and will therefore be open as usual next Thursday.

Class Photographs – Friday 14th May 2021

The school photographer will be in school on Friday 14th May to take class photos for Reception to Y6 classes so please ensure your child is wearing full school uniform.

GOOD NEWS CORNER

Making a sandwich in Space

When I was at school I was fascinated about space. This week's good news video shows you how they make a peanut butter and jam sandwich when in space! It is incredible! Enjoy!

CUDHAM'S GOOD NEWS RAINBOW

With the COVID restrictions starting to ease last week, I am confident that lots of you have Good News to share! Please continue to send your photos, messages and artwork to admin@cudham.bromley.sch.uk so we can completely fill the display board! Thank you.

I hope you have a good weekend.

God bless,

Mr Finch
