

Dear Parents and Carers,

Happy Friday Cudham Family!

Can you believe we are in the last half term of the year?! It feels like the academic year is flying by. I hope you and your families enjoyed a good half term break and that you feel rested. We were certainly blessed with beautiful weather and it was good to be outdoors more, sharing time with loved ones.

Our Christian Virtue for this half term is love. We will be learning from stories in the bible as well as recent examples to educate the children on how they can show love to one another to help make the world a better place for everyone. This half term is going to be jam packed with events: Health and sports week; sports morning; our final community event of the year; World Music Day; Leavers Service - to name just a few! We are really looking forward to ending the year on a real positive before moving into an exciting 2021/2022 academic year!

New Entry Systems

Our new entry systems have been completed this week and have been designed to improve the security of our site. Every gate now has a secure magnetic lock and a camera on the communications system. The Office and Pre-school have access to all gates at all times. We thank the Aquinas Trust for finding us a grant to complete the works without a cost to the school.

Pop Up Vaccinations in Biggin Hill

You will have received an email from the office this week informing you of 'pop-up' vaccination sites in Biggin Hill for COVID-19. If you have not had a jab, or are awaiting your second jab, please do take advantage of this opportunity, should you wish, to keep us all a little bit safer. Thank you.

World Music Day 2021

On Monday 21st June, we will be celebrating World Music Day 2021! We thank Mrs Osborne for all her hard work to ensure the children have a fantastic day at school, participating in musical activities and learning together!

Toys

It has been observed that lots of children have been bringing in toys from home - the recent craze being fidget toys. Please can I remind you that children are not to be bringing toys into school as there is a risk of damage and loss. There have also been incidents of children being upset because of trading too. Furthermore, it is not COVID safe for children to be bringing in toys from home, so

please keep them at home to keep us all safe. Thank you for your continued support.

Maths Quiz

On Thursday this week, four of our Year 5 pupils took part in the Aquinas Maths Challenge on Zoom. All of the schools in the Trust took part and we are really proud of Kian, Bella, Lucas and Mia M for representing our community so brilliantly and for working so hard to answer the challenging questions!

Maths – Tutor Bot

Tutor Bot contains completely free online maths games where children can practice their mathematics skills. It features 100 different customisable games providing a fun way to improve mathematics fluency, accuracy and speed. The site is aimed at Reception and KS1 but can be used by all year groups. Please encourage your children to have a go! <https://www.tutorhunt.com/tutor-bot/>

Sun Cream

As the weather is warming up, please can I remind you to ensure that you have applied sun cream to your child at home to keep them safe. Thank you.

Sunday 27th June 2021

You are all warmly invited to Cudham church on Sunday 27th June to celebrate St Paul's and St Peter's Day, which is represented by our school badge. I will be talking with Rev Musson during the service and it will be lovely to see you there.

Sunday 4th July 2021

Please see attached the information on the Cudham Club/church community thank you and celebration. Our school will be present with a stall to talk to the locals and it would be great to see you there too!

CUDHAM'S GOOD NEWS RAINBOW

Please do share your items of good news over half term for our Rainbow by sending your photos, messages and artwork to admin@cudham.bromley.sch.uk - thank you.

God bless,

Mr. Finch
