'Together, we Aim, Believe and Achieve'

Dear Parents and Carers,

As you will probably be aware, unfortunately today we had to close the Rose class bubble as a precaution following a child testing positive. Remote learning will be in place next week, details of which will follow shortly. If your child is isolating and requires the loan of a Chromebook to assist them, please contact the office for this to be arranged. Rose class parents and carers have been sent details of their isolation period in line with national guidance and we wish the family affected all the best for a quick recovery and that the rest of the class remains safe and well. Today has been a reminder that although we have come along way in the battle against Covid we still do need to be careful and remain vigilant.

On a more positive note, I don't know about your household but I am really enjoying the amount of football that is taking place at the moment – mainly because I can enjoy it knowing that Crystal Palace will not lose! I am really looking forward to the England v Scotland match this evening. Last weekend we saw the power of love (this half term's virtue) from around the world after Christian Eriksen suffered a cardiac arrest on the pitch. Thankfully, he is recovering in hospital. As a Cudham family, we send our love and thoughts to his family and the people of Denmark after a difficult week.

This week the government announced that lockdown restrictions are due to continue for a few weeks longer. We are disappointed that we will not be able to meet together in person more but we understand that this decision was made with the aim of keeping all of our community safe. This unfortunately means that we will not be able to share in some of our community events altogether in person. Where possible, we will create videos for you to enjoy from the safety of your homes.

Week commencing 28th June is Health and Sports week. Mrs Davies has put together a brilliant variety of activities for the children to participate in to encourage a healthy lifestyle. Thank you to Mrs Davies for all her hard work and organisation.

World Music Day 2021

On Monday, we will be celebrating World Music Day 2021! We thank Mrs Osborne for all her hard work to ensure the children have a fantastic day at school, participating in musical activities and learning together! Each class will be performing a musical item that we will be recording the children we have GDPR permission for and posting on

YouTube for you to see and enjoy. Rose class will celebrate this on Monday 28th June.

Sports Morning

In light of Rose class isolating, Sports Morning has been postponed to Thursday 1st July and we thank Mrs Davies for all her hard work in putting together the events for the children. I am sorry to say that we will not be able to have spectators due to COVID restrictions but we will send out a short video of photographs and videos for you to enjoy from the safety of your homes.

Sunday 4th July 2021 - Postponed

Last week, I informed you of a Cudham Community thank you event that the school will be participating in on Sunday 4th July 2021. The decision was made this week for the event to be postponed in light of the government's announcement. We will inform you of the new date when it has been confirmed.

School Uniform

As we start to move towards the end of this academic year, I would like to remind you that the best place to purchase our school uniform is online from Brigade, where it can be delivered directly to your door. Please see the attached leaflets with more details. Thank you.

CUDHAM'S GOOD NEWS RAINBOW

Please do share your items of good news over this last half term for our Rainbow by sending your photos, messages and artwork to admin@cudham.bromley.sch.uk - thank you.

God bless,

Mr. Finch
