'Together, we Aim, Believe and Achieve'

Dear Parents and Carers,

Happy Friday, Cudham Family!

This week, Mrs Davies and I conducted a learning walk around the school to drop in on the different lessons that were taking place. It was so wonderful to see the children happy, focused and enjoying their learning in every subject. I am so proud of how well the children have adapted to our new learning structure and how quickly they have settled. Normally at this point into the half term, we start to see tiredness creep in and for the children to start to lull. However, it was clear from our walk around the school that the children are still excited to learn and can talk about what they have been doing with confidence.

On Wednesday, we had our photos taken and it was so lovely to be able to return to having sibling photos taken as well as individuals. You should receive information for how you can purchase the photos over the next few weeks.

This week also saw the launch of our extra-curricular clubs! For those children who attended, they enjoyed the opportunity to be creative and active with their friends. One child in KS1 said 'I had no idea art club was going to be this fun!'

There are still places available in the clubs, so if your child is interested in taking part, please do let us know by emailing admin@cudham.bromley.sch.uk

Today is also Election Day in the school – we are electing our Worship Leaders, Worship Committee members and School Councilors in all classes. You will have received earlier in the week a job description for the pupils who would like to put themselves forward so they are aware of what they are committing too. The student leaders will then meet during a lunchtime every few weeks to work together to represent the school and help our pupils voices be heard by all.

Clubs and Kit

As I mentioned above, our extra-curricular clubs started this week. If your child is participating in a lunchtime club, they DO NOT need to bring in a change of clothes, just a change of footwear. There is not enough time for them to eat, change and then participate over a lunchtime for the club to be worth their while.

However for the dance and sports clubs taking part after school, please DO send the children in with a change of clothes as there is time to change before 3:30pm.

My singalong club on Monday does not require a sign up – just turn up and enjoy. Remember adults, you are warmly invited to join us too!

Worldly Wednesday Worship

This week's Worldly Wednesday Worship was led by Miss Davies and she led the children in learning about South American accommodations and man-made landmarks. We are using Worldly Wednesday as an opportunity to further educate the children on the wider world beyond Cudham and to celebrate God's creation and all its wonders.

Celebration Worship – Rev Musson

This week we celebrated Rev Musson and all that he does for our community. Rev Musson informed the children of what he does for a job and how he helps those in our community. Over the next few weeks we are hoping to hear from a local farmer and fruit and veg trader to tell the children about their jobs and how they help the local community. We hope that our children become inspired and celebrate how we can all support one another.

Community Event

Save the Date – **Friday 1st October 2021!**

This will be our first face-to-face community event in over 18 months and I cannot wait to see us all back in school!

Attendance

Below are the collective attendances for each class (for this week) and for the school (since the beginning of term). The whole school should be averaging an attendance of above 96% to ensure that every school day counts.

Marigold: 87.5%

Rose: 97.1%

Honeysuckle: 87.8%

Forget Me Not: 91.7%

Whole School: 94%

CUDHAM
CE Primary School

Our Christian Virtue this half term is:
Courage

Take care,
Mr. Finch
